SHAKES & MALTS \$4

This is what a shake should be. Not soft serve ice cream, but hard old fashioned style ice cream hand dipped and

mixed on a blender while you watch. It takes a little more time and effort, but it's worth it. We have vanilla, chocolate, strawberry, or chocolate peanut butter.

Ask your server about our specialty shakes.

DESSERTS

HOMEMADE VANILLA CUSTARD \$2.25 Our custard is all natural and perfect for a snack or for a little dessert.

BONNIE'S BROWNIE SUNDAE \$4.50 After our managers have been around awhile, we have them put their name on a menu item. No surprise here. Bonnie loved making the brownie sundaes with our homemade brownies. Enjoy!

HOMEMADE BREAD PUDDING \$2.50 Ask your server for today's flavors.

BANANA SPLIT \$5.50 If you're going to decide if you have room for this after dinner, believe me, **YOU HAVE YOUR PRIORITIES MIXED UP!!** Just go ahead and bring it on! A classic just like the first time, vanilla, chocolate, & strawberry ice cream over a fresh banana. Covered in chocolate syrup, strawberry topping, & crushed pineapple topping. Of course, we complete our work with whipped cream, chopped nuts, and the "oh so special" cherries. If you feel extra deserving today, add real Hot Fudge or Hot Caramel topping for only 50 cents. Want extra chocolate ice cream instead of strawberry or extra pineapple topping instead of chocolate...no problem. After all, we're making this baby just for you.

SUNDAE \$4 Oh, now you remember those old fashioned sundaes made with hand dipped ice cream, dripping with real Hot Fudge, Hot Butterscotch, or strawberries, then topped with real whipped cream, and a cherry. If you're sharing it with someone special, better ask for an extra cherry.
